

A WORLD OF CELEBRATIONS - WHERE THE HOST IS GUEST...

Festivity, candles and flowers. Glittering, long-acting merry hours. A good party is an experience to remember, therefore a creative and professional adviser is worth gold, when you are planning a party either for a company or in private.

PARTY SCANDINAVIA...

The classic party where we have thought of everything – from welcome drink to night snack – but each with a character of its own.

CASINO BALLROOM...

The best looking party room in Copenhagen with a capacity of 170 persons and of course it stands to reason to combine your party in Casino Ballroom with a visit to Casino Copenhagen.

FRAME THE PARTY - CHOOSE A THEME...

With menu, decoration, music and entertainment you have hit the right tone for a festive evening. Las Vegas Games, Wild West, Pasta Party, Thai or James Bond theme, only your imagination sets the limits and our professional organisers are specialists in making your dreams come true.

AROUND THE WORLD BUFFET...

We invite you to a luxurious buffet with exquisite delicacies from international latitudes. Specialities from the hotel's restaurants: Scandinavian, Italian, American and Asian. An obvious idea for the representative arrangement.

CULINARY HIGHLIGHTS...

Our chef just loves challenges! Take him up on his word - and gather your guests around the table for a culinary adventure. A true delight for all senses.
